Start! and as there are a few questions about it, here are the hacks and tips for recovering and switching (l) ceremonies.i won't consider pairing on the first day to be a recovery, since it's the first choice ever regarding a partner, however, I'll say this: be careful with the guys and the order you choose. your second choice will be the boy who pursues you, third will be the one who is after you in case you reject second.the following options for events such as home, after the girls fight, will be decided on whom you have a larger heart score with, so that it is not defined by that particular order, back on the first day also, a long time ago, Noah used to stay back, even if you declared interest. now, depending on your choices (in the bedroom, during the conversation with the girls), he can step forward. The same goes for Bobby, it would take a step forward independently, but that has been changed recently, and now it is based on the options you are going for, previously,noah will always be stolen by hope, and it will be addressed by lotty during truth or dare, as in unfair. so, if you choose Noah, get ready to couple with Bobby, because he's the last choice, get him back on the third day will have only three options. Gary will never be able to choose you, even if you were together on day 1, since fusebox decided to put him through hell and choose between Hannah and Marisol, get lotty reactions, and the bathroom kiss they exchanged. everything is foreshadowing, so it doesn't matter the breakfast door happened or not now, on a lucas / henrik playthrough, some players, like me, love goes for Rocco on the third day, and not always they are able to make him choose them. when in the lawn, all the boys are options to talk to that afternoon. two categories play a role here: the non-option and the option. rocco, Ibrahim and Bobby are available to be persuaded, Gary and Noah not.so if you want to make sure you choose, the only thing you need to do is talk to him and then talk to a non-option boy, Gary or Noah, they will never be able to say your name to recovery, so that this way you secure the one you want, which is... Rocco.si you go to the gym and talk to Bobby, there's a chance to pick him, based on your face of the heart score, and you'd have to come back at the beginning of the day. so all you need to do is talk to the boy you want, then proceed to Gary or Noah, to make sure you're chosen by whom you desire.there's no default boy and there are a number of choices that determines your heart face score, and that's not a number even. so, for example, if you decide to please all the boys, eventually one of the options will make one of them more attracted to you, because there is no possibility of a link between them.on the ninth day, you can choose four boys, and it becomes difficult because of lottie and Marisol, they couldn't care less if you went for rahim or bobby, but if you say the name Lurik, or gary, there are a couple of face consequences sort of interactions.with marisol, if you want to keep the heart score high, you can choose the option try your best. he will say, No, no, I don't want to be in this situation anymore. I'm paraphrasing. It's the friendly way of go.disaster has only two paths: villa! lucas/henrik or Noah. if you were in a relationship with Lucas or Henrik before, and did not participate in the nope operation, then they will choose you, but still be upset by the choice of Jakub and Noah, they will always say your name and that they're open to make it work. (It feels like a favor during the ceremony, but the tne is changed once you are on the day beds with them.if you participated in the nope operation, Noah will participate you, regardless. the variables will always be you and priya, between lurik and noah, there are no more options of choice there.if with Noah, you will have the option kisses on the day beds, free, but I strongly suggest you go for the gem scene after, you get a really nice dialogue, some stories about his siblings, and even a nicer session do. if you want to stay on lucas or henrik road, gem scene is pretty good too, so you can pay for it Before going to bed, the next morning, the gem scene, before leaving, it is open to get it with whom you want. once I was bored (waiting for a new episode) and went really nice dialogue, some stories about his siblings, and even a nicer session do. if you want to stay on lucas or henrik road, you to be back, and no girl can hold a candle for you. very sweet and pleasant. Each you get a different dialogue, depending on your romantic interactions before that moment, but all the different stories and anecdotes.Ibrahim and noah dont say that!! SHADY!now, if Lurik goes for priya, they'll be back single. Noah won't come back alone out of his way. bobby, Gary and Jakub stay single in all routes, and Ibrahim will always bring Shannon.it is painful painful to get that no girl can hold a candle for you from rahim and noah, all of you ... day 17, you are back from casa amor, and there is a choice you need to make. between the guys you can romance in casa, and the og boys of the villa, you have a lot of options here.if you decide to stay single, Chelsea will always bring Elijah, and that makes four people able to save four people from dumping the following night: you, Gary, Bobby and lottie. if you decide to change, Chelsea will remain loyal to Gary, making bobby and lottie the only singles, saving only hope and noah.priya will always be dropped, no matter what choices you make so, if on Noah's road he will always bring Blake and he will never come back to you, until the last day. if you decide to bring someone in his way, priya and lucas/henrik will be thrown without any reasoning, they've stayed loyal and still, will be gone on the lendeman.it's painful, and a little unfair.chelsea will ask you who you want to be with, by the pool, while talking about mini-foods with Shannon and your current partner. the person you say the name will do the following: looking in your direction during the m. and even challenge you to approach in the kitchen, talking on the roof terrace (in the same afternoon) person who is jealous of you and your current partner, during the dinner you cooked (the mention of kitchen pieces) approaches you after dinner, for a paid scene, to the roof terrace, too talk about the next recovery you breakfast, the next day on the road to Noah, the one to talk to you in the evening, and give you breakfast in the morning, will be the boy/girl you have the most face of the heart score with. it may be someone from casa amor it is not even in the villa. (in my case it was arjun once) the person who chooses you on the back is the person you say hope in the morning, even if you said chelsea a different name. all people are available, except Noah and Graham, of course. if on Noah's road you choose his name, when you speak to hope. The game will give you a thought bubble saying I can't exactly tell him that and then you can choose a second name.it doesn't matter whose name you say, they'll pick you and you'll have a night at the roof terrace gem option. even marisol and ibrahim, their partners will want to talk to you, so if it's Ibrahim, Shannon comes, if Marisol, Graham approaches, and if Gary, even though Lottie has never been with him, she will be the dialogue default.final recovery is a bit tricky if you make a thirst playthrough, because of the number of options you want to have in the end. a miserable kiss with someone is enough to have their names at the final recovery, and in the Cases, the very first guy you coupled up will also feature the list.but this is your last chance to pick someone and you have all the options set on your turn here you can take the slowburn to Bobby, Gary, Lucas, Henrik, Ibrahim, well though with Ibrahim is very terrible since you'll jo cry all The villa because of him. it was funny, now it's just sad, before the recovery, you'll have a challenge in the afternoon, luckily after always, and in it, an opportunity to choose the wrong options, so you can have a dialogue with your current partner, at the roof terrace, while there, you can choose if you want to stay together, even if you are not as compatible, OR, break. If you do break up, this person will always be an option later, but you can choose one of those other tickled your fancy,the next morning will be awkward if you decide to go with someone else, and there is a dialogue in the morning, with your ex. they will say, despite you saying very clearly that you wanted to break up, that I just went with it. c's almost like they didn't know they said I understand, they arrived, than anything else. for me, who writes for the game, sometimes it's pretty blurry and the events mix, so I like to have something like that to help me re-remember some dialogues and when boys and girls are options or not. so, I don't have to search on youtube or play the game again - it's tricky due to a couple of glitches, so in case you have problems, and it's not in your, here's a guide that will help: say you're interested in girls, about the truth or dare to challenge. (it doesn't matter if you send her the photo or not, but you can. she blushes and it's cute).After marisol answer the question of getting with someone of the same sex, you get three options to choose from, regarding your sexuality, the first is yes! and I do! the second is if the right person comes along, his answer depends on yours. if you go with the first, it is bi, if you go with the second, it is pan.adding a very important piece of information here, from a user on reddit: when the roccosol scandal occurs, be favorable to it. Offer hugs or nice words, any chance you get.no sting on rocco on the average tweets challenge, and make sure, always go with cooling options, such as relax guys, it's a game. there's a scene, the day Rocco leaves in the morning, you

It's not like I'm dying to meet nan Gary / you're talking with either a friend, cousin or your parents - WHAT THE COUSIN has had a stroke / parents are talking in caps, except for your partner's name - smh / we also have the opportunity to exchange texts with the partner's family- WHAT BULLSHIT GENERIC IS THIS? LUCAS' PARENTS ARE TEXTING AS THEY ACTUALLY PARTICIPATE IN HIS LIFE / GARY IS NOT NAN... I'm still disappointed, but it's another level. Why build it if you don't give it to us? / All dialogues are generic / daybeds scene with Lottie's partner and maybe she or hope/text warning on the final date of villaPart 2 - get ready and arrive at the date on a beach / prettier than season 1 / gazebo floating in the middle of the sea / cat idly / li asks you to be their girlfriend???? / Gary talked about a friend named dicky because the guy is a tool and it's probably a good character to write for him / back to the villa / Hope saw us fucking 'ROLLING M EYES' / partner tells everyone that we're official and Hope steals the thunder 'THIS CHIENNE' - none of the options is what I'd say and it's a shame / Noah doesn't ask him about his road IS NOT? - Part 3 - Chelsea and Mc on day beds / PUG, MUG AND RUG -I'M CRYING/ BIRD SCENE!!! Partner of Hannah, Chelsea, Bobby, Lottie and mc - What is this mess?? BIG DADDY IS THE NAME AND THE ONLY NAME - I believe there is an interpretation here, good for the road you are in. it can have a lot of meanings/kitchen group scene and planning a party / LAIT IS DISGUSTING AND I NEVER THOUGHT I DIRAIS THAT, BUT I'M ACCORD WITH LOTTIE/group hug... 'ROLLING EYES' / You've been right Hope I'm usually WE TAUGHT YOU WELL, BABY!! ANOTHER FREE SEX SCENE???? / BIG DADDY HAS BEEN UNLEASHED IN SHEETS - I CACKLED TOO LOUD AT THIS / SOMEONE THREW A PILLOW ON HOPE AND I WISH WE COULDVE DONE ITDay 29Part 1 - Hannah gets a text / Hannah's smile is really ugly / dressing room / buy dresses for the prom later / the boys were practicing dance moves 'MAKE LOTTIE'S PARTNER AND NOAH KISS' / Boys teach us the moves / JAZZ HANDS IS THE COMBAT FINAL TOUCH, I JURE BEFORE GOD, THIS GAME! / text a speech/bedroom with the girls/ help Lottie's partner? NAHPart 2 - getting ready in the dressing scene - CHELSEA LOOKS HELLA ADORABLE AND LOTTIE THE GET / Bobby does look like a Hawaiian drug dealer, Gary and I'm here for them, Lucas' blue suit is terrible. A guy like him would never, Henrik is tragic (the denim shirt is not ideal...), KASSAM'S IS - , looks so hot! / Love scene statements, in order: Chelsea 'partner' 'DID HOPE JUST SHUSH US?!?!?' Hannah's partner, Lottie-partner, mc-partner and Hope-Noah - all the boys talk about casa amor, except those from there, obviously 'Part 3' - first dance / people jump into the pool / dressing up 'blow drying hair / text warning there's a dumping / it's between Lottie-partner and Hannah-partner/goodbye scene you can kiss the girl who's leaving / if Bobby leaves, he leans and whispers ANOTHER FREE SEX SCENE?!?!? / They forgot to charge for it, it's not possible! Day 30Part 1 - bedroom scene / Chelsea Chelsea offers to prepare breakfast - paid scene: she talks about how she wants to be with someone who cooks and I feel top key stolen! she burns it and it's funnier/breakfast scene with the group/shower talking and how everyone showers/follow-up conversations: Hannah/Lottie in the kitchen wish I knew what was going to happen / Hope in the pool, Hannah/Lottie partner with Chelsea's partner in the gym a few of us thought you and Noah would end up together / text saying to pack their bags and go to the firepitPart 2 - the boys were playing Adventure Golf and Lottie/Hannah partner throws a hard egg on Chelsea's partner/they remember on the love island mr contest. : Winning couple will be revealed / Chelsea and Hannah / Lottie - partner will always be fourth and third place / mc won only if she did not cheat on her partner with the return Lurik / Elisa, in this case, nope wins / after winning: retrospective video (none of the sneaky kisses with Gary will appear, or Noah's sex scene on day 29) Part 3 - split or take the money? / if you're on Noah's road, you have to take it all to yourself/you don't continue with your partner if you split him/conversation with the partner about moving together - it doesn't make sense with Carl, for the sake of fucking/ meeting the Hannah /Lottie who left on day 29 - opportunity to explore things with them / Priya and the boy band / Rocco and idk / Noah and Hope / Shannon and villa Lurik-Jakub / Elisa / Elijah-Jakub and Blake / on the road noah, if you keep the money, he will ask you if you want to be with him and get the scene from the pool, where he apologizes and says I love you - NOT THE PEINE, HONESTLY. They ARE MURDERED HIS PERSONNAGE / final scene by the pool with your partner - Observations on Gary: tells the joke hutch and mentions his father and nan being chuffed he said it on television, but it is a scene that can happen at the beginning of the game.
